Major General Thomas W. Bergeson
Chief
US Air Force
Congressional Inquiry Division
Office of Legislative Liaison
B-322 Rayburn House Office Building
Washington, D.C. 20515

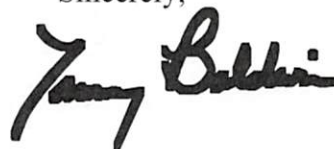

Dear Major General Bergeson:

I am writing on behalf of my constituent, Master Sergeant Jay Ellis, a member of the 115th Fighter Wing at Truax Field in Wisconsin.

Please find attached MSgt Ellis' completed Privacy Act Release form. As you will see, MSgt raises several very serious allegations dating back decades. In the Form attached MSgt Ellis gives several examples of troubling behavior he has witnessed and has been told about, including, but not limited to inappropriate comments, to actual sexual assault. I am asking that you look into this matter with all seriousness and thoroughness and provide my office with a written response detailing what investigation you have undertaken and what actions you are taking/will take. MSgt Ellis is available to give more details if needed, including putting the Air Force into contact with some of the victims of this behavior. Please direct a response to my office.

Thank you in advance for your attention and assistance with this request. Please direct your correspondence on this matter to the attention of Steven MacDonald in my Milwaukee district office at Steven_MacDonald@baldwin.senate.gov.

Sincerely,

A handwritten signature in black ink that reads "Tammy Baldwin". The signature is stylized, with the first name "Tammy" written in a cursive script and the last name "Baldwin" in a more formal, slightly cursive font.
